

Pop art is for everyone.

RS3 Football Table · Rafael Rodríguez

It all begins with "Shall we have a game?" There are winners and losers, but everyone has a great time. Because playing is all about having fun and sharing time together. The RS3 football table injects colour into the game. Its look, with thin legs, is lighter and pop, but the steel structure bestows the same sensations and performances as our entire football table collection: playability, durability and design to enjoy it with the enthusiasm of a child but with the strength of an adult. Because the RS3 is for everyone and it's especially dedicated to all those children who at one time or another have said that "Adults don't play, they just work."

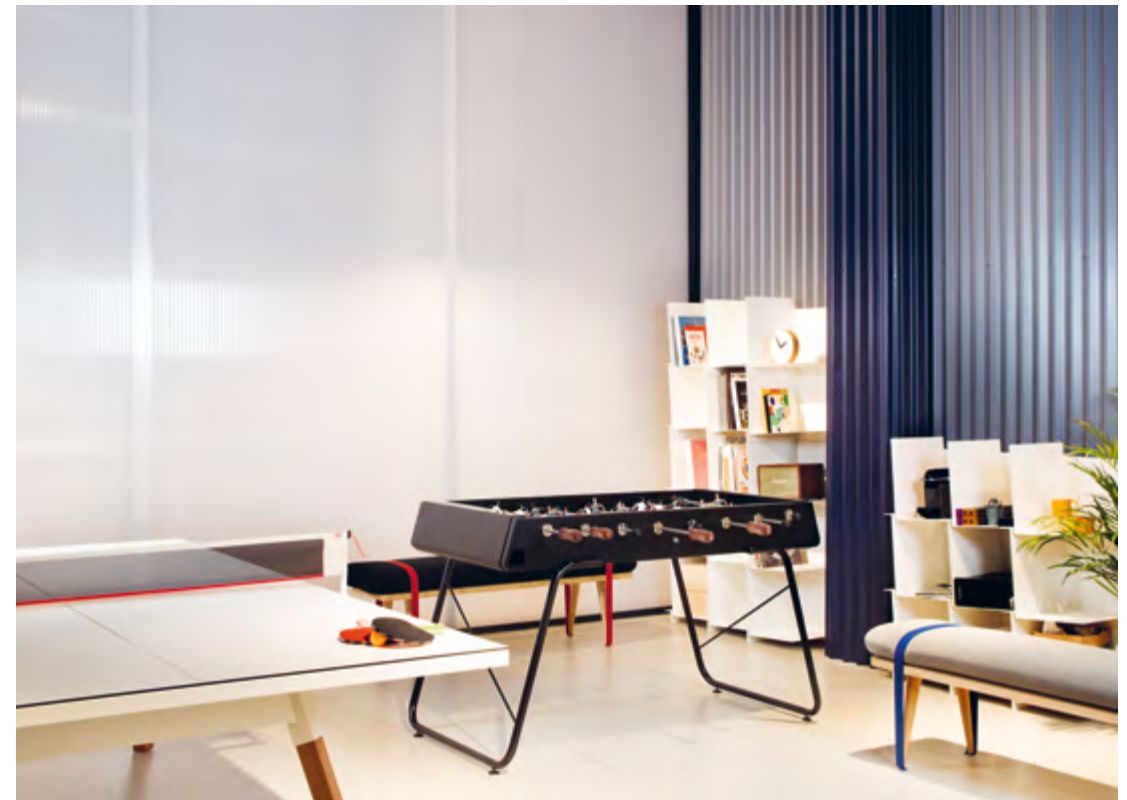

Todo empieza con "¿Echamos una partida?" A veces se gana. Otras se pierde. Aun así, todos se divierten. Porque jugar es compartir. El fútbol RS3 le da color a la partida. Su look, con patas finas, es más ligero y pop, pero su estructura en acero le confiere las mismas prestaciones y sensaciones que todos nuestros futbolines: jugabilidad, durabilidad y diseño para disfrutar como un niño con la potencia de un adulto. RS3 es para todos y está dedicado especialmente para esos niños que alguna vez han dicho eso de "los adultos no juegan, solo trabajan".
